

The Tire Rack

Description:

From The #1 Name in Tires & Wheels... GRIOT'S GARAGE CAR CARE!

At Tire Rack, we're like you. We have cabinets in our garages full of products that did not live up to their marketing hype. We've found one brand that consistently exceeds expectations - Griot's Garage. In fact, Griot's Garage wheel and tire care products are now officially "recommended by Tire Rack."

Griot's Garage was established in 1990 by car enthusiast, Richard Griot. With a mission to provide the highest quality car care products to fellow enthusiasts, Richard and his team develop, test and manufacture a line of products that provides exceptional results.

Griot's Garage products are easy to use, don't have harsh chemical smells and will not harm your wheels, tires or the environment. As Richard Griot said and Tire Rack confirmed, they're all the products you'll need to clean and protect your car's prized wheels and tires.
